

ALL Scheme Ltd (“SchemeCo”) Scheme of Arrangement under Part 26 of the Companies Act 2006 (the “Scheme”)

The definitions in the Scheme apply in this certificate as appropriate.

Clause 5.3.4 of the Scheme requires SchemeCo to make an Initial Scheme Payment in respect of each Ascertained Scheme Claim within one month of the calculation of the initial Scheme Payment Percentage.

A significant proportion of Scheme Creditors have received the Initial Scheme Payment and further progress has been made since the last extension of time was granted. Over 99.8% of Scheme Creditors that had an Ascertained Scheme Claim and had provided bank details before 28 May 2024 have now received their Initial Scheme Payments.

SchemeCo has assured us that it continues to work as quickly as possible to resolve the remaining operational issues that are preventing the Initial Scheme Payments from being processed. For example certain recalculations are required following additional account transactions that arose after issue of the outcome statement before payment can be made.

Therefore, in accordance with Clause 5.6 of the Scheme, we hereby certify that it is in the interests of the efficient operation of the Scheme to extend the time limit for issuing the Initial Scheme Payments for Ascertained Scheme Claims to within 120 days of the calculation of the initial Scheme Payment Percentage.
