2.5.3   Where a Redress Scheme Claimant has a Scheme Claim determined and/or adjudicated as a valid Scheme Claim pursuant to Clause 4.5 or Clause 4.6 (as applicable) in respect of a balance outstanding under a Sold Loan owed by such Redress Scheme Claimant to Intrum as at the Scheme Effective Date, such balance will be treated, for the purposes of this Clause 2.5 and Clause 2.6 below, as if the balance were owed to ALL.

2.6   Payments made after the Scheme Effective Date

(b)   would have been determined as an Ascertained Scheme Claim but for the operation of the set-off described in Clause 2.5,

ALL pays the Redress Scheme Claimant any amount necessary to return them to the position they would have been in had the set-off described in Clause 2.5 occurred on the Scheme Effective Date.

2.6.3   Interest shall accrue on the amount of any payment to be made by ALL under Clause 2.6.2 at the Redress Interest Rate, calculated from the date of the relevant payments to ALL or Intrum described in Clause 2.6.1 until the date of the payment by ALL under Clause 2.6.2.

2.8.1   Each Scheme Creditor shall enter into the Release Agreement as set out in Schedule 3 on the Scheme Effective Date and hereby irrevocably authorises the Scheme Supervisors to sign the Release Agreement as their agents.

2.8.2   Subject to the operation of Clause 4.2 (which for the avoidance of doubt, expressly binds all Scheme Creditors) and the effect of the Release Agreement executed pursuant to Clause 2.8.1, the Scheme Creditors shall not because of this Scheme waive any defences (in particular, of equitable set-off) they may have against any person (other than SchemeCo, ALL, AMSL or Holdings PLC) in respect of an Outstanding Balance before the Release Agreement takes effect. Such defences shall apply to any claim brought by any person (other than SchemeCo, ALL, AMSL or Holdings PLC) in respect of an Outstanding Balance in the same way they would have applied to any such claim brought prior to the Release Agreement taking effect.

2.10   The Board

Save that the Scheme Supervisors and the Scheme Adjudicator shall have the powers, rights and duties conferred upon them by the Scheme, the powers of the Board shall remain as before the Scheme Effective Date and the Board shall be entitled to exercise all their statutory and managerial powers and rights in relation to SchemeCo in accordance with their duties and functions.

3.3.7   Prior to ALL being wound up and formally dissolved and having: (i) made the payments specified in Clause 3.3.3 and Clause 3.3.5; and (ii) determined that the provisions made for the Minimum Liquidity Reserve and the Redress Reserve Fund have been either applied in full or are otherwise no longer required to be retained, SchemeCo shall procure that ALL pays into the Trust Account any residual funds standing to the credit of the ALL Bank Accounts. SchemeCo shall apply any such funds in accordance with Clause 2.3.

3.3.8   Within two months of receipt by SchemeCo of the residual funds standing to the credit of the ALL Bank Accounts from ALL pursuant to Clause 3.3.7, SchemeCo shall procure, including by enforcing the commitment given by ALL pursuant to the Contribution and Co-operation Agreement, that ALL takes all steps reasonably possible to place itself into a members' voluntary liquidation. If it is not possible for ALL to place itself into a members' voluntary liquidation within this timeframe, SchemeCo shall procure, including by enforcing the commitment given by ALL pursuant to the Contribution and Co-operation Agreement, that ALL take steps to initiate an insolvent liquidation or administration.

PART 4 – DETERMINATION OF SCHEME CLAIMS

4.1   Notice of Scheme Effective Date and invitation to submit details of Scheme Claim

4.1.1   Not more than 10 Business Days after the Scheme Effective Date, SchemeCo shall give notice (including an invitation to Scheme Creditors to consult the Scheme Portal and, if appropriate, to submit details of their Redress Scheme Claim there) in the following ways that the Scheme has become effective and of the Claims Submission Deadline:

(a)   by email and/or SMS to each person who SchemeCo believes may be a Scheme Creditor and for whom SchemeCo has an email address and/or phone number;

(b)   by notice on the Website; and

(c)   by advertisement in the Daily Mirror and the Daily Mail.

4.1.2   Three months before the Claims Submission Deadline, and again one month before that date, SchemeCo shall by: (a) email and/or SMS; (b) posting a notice on the Website; and (c) advertisement in the Daily Mirror and the Daily Mail, invite Potential Redress Creditors who have not yet done so to submit details of their Redress Scheme Claim through the Scheme Portal.

4.2   Submission of Scheme Claims

4.2.1   Subject to Clause 4.2.4, Clause 4.3 and Clause 4.4, Scheme Creditors shall not be entitled to any payment in respect of a Scheme Liability unless they indicate that they believe they are owed a Scheme Liability by submitting a Scheme Claim and provide details of their bank account through the Scheme Portal, in accordance with the instructions on the Website, on or before the Claims Submission Deadline.

4.2.2   Without prejudice to the power of SchemeCo to request further information, all Redress Creditors must provide to SchemeCo the information and documents indicated on the Scheme Portal.

4.2.3   After the Claims Submission Deadline, Scheme Creditors may not:

(a)   make new Scheme Claims, even if they were not aware that they had a Scheme Claim before the Claims Submission Deadline;

(b)   revise Scheme Claims that they have already made, even to reflect information they were not aware of before the Claims Submission Deadline; or

(c)   provide additional information about Scheme Claims that they have already made,

unless requested or required to do so by SchemeCo, the Scheme Supervisors or the Scheme Adjudicator.

4.2.4   The FOS shall submit its FOS Fee Claims, including:

(a)   details of such FOS Fee Claims; and

(b)   supporting evidence,

by email to SchemeCo and shall do so on or before the Claims Submission Deadline.

4.2.5   A Scheme Claim which has not been submitted to SchemeCo through the Scheme Portal in accordance with the relevant instructions (or in the case of the FOS, by email) by the Claims Submission Deadline shall be deemed to have been satisfied in full and released and the Scheme Creditor shall have no further rights in respect of the same.

4.3   Requirement to submit Scheme Portal information

4.3.1   Subject to Clause 4.4, Redress Creditors will not be entitled to any payment in respect of a Redress Liability unless they have submitted the required details in relation to their Redress Liability through the Scheme Portal on or before the Claims Submission Deadline.

4.3.2   No payments will be made in relation to Scheme Liabilities that are not submitted as Scheme Claims on or before the Claims Submission Deadline, and Scheme Creditors shall have no recourse against SchemeCo except in accordance with the Scheme.

4.3.3   The following items have no effect for any purpose other than for the purposes of voting at the Creditors' Meeting, and shall not entitle any Scheme Creditor to any payment:

(a)   details of Scheme Liabilities provided to SchemeCo for the purposes of the Creditors' Meeting;

(b)   the amount in respect of which any Scheme Creditor votes at the Creditors' Meeting; and

(c)   any adjudication, notification or decision relating to the value of any Scheme Creditor's claim for the purposes of the Creditors' Meeting.

4.4 Outstanding Redress Claims

Nothing in Clause 4.2 or Clause 4.3 shall require Redress Creditors who have an Outstanding Redress Claim to submit details of that Outstanding Redress Claim through the Scheme Portal. Outstanding Redress Claims shall automatically be deemed to have been submitted prior to the Claims Submission Deadline and shall be determined in accordance with Clause 4.5.

4.5 Determination of Scheme Claims

4.5.1   No later than 8 weeks after a Scheme Claimant submits a Scheme Claim through the Scheme Portal, and unless the Scheme Claimant has already been sent notice under Clause 4.5.6, SchemeCo shall contact that Scheme Claimant notifying them of receipt of their Scheme Claim.

4.5.2   SchemeCo shall examine each Scheme Claim submitted under Clause 4.2 and shall consider and determine, acting fairly and reasonably, whether:

(a)   each Scheme Claim is valid in whole or in part; or

(b)   it does not agree that the Scheme Claim is valid.

4.5.3   The examination referred to in Clause 4.5.2 shall include (without limitation) considering:

(a)   any documentation submitted through the Scheme Portal;

(b)   in the case of FOS Fee Claims, details of the FOS Fee Claims; and

(c)   any relevant Cross-Claim.

4.5.4   SchemeCo may inform any Scheme Claimant of further information or evidence it reasonably requires in order to determine their Scheme Claim.

4.5.5   Scheme Claimants shall provide information or evidence required under Clause 4.5.4 within 30 days of receiving the request, failing which SchemeCo shall determine the Scheme Claim based on the information available to it. Redress Scheme Claimants shall submit any such information or evidence through the Scheme Portal in accordance with instructions given by SchemeCo.

4.5.6   SchemeCo shall notify Redress Scheme Claimants through the Scheme Portal and the FOS by email of the outcome of SchemeCo's determination of their Scheme Claim under this Clause 4.5, including the amounts (if any) due to them in respect of their Scheme Claims.

4.5.7   If SchemeCo determines that a Scheme Claim is valid in whole or in part, the Scheme Claim will become an Ascertained Scheme Claim 30 days after

SchemeCo has given the notice required under Clause 4.5.6, unless before that time the relevant Scheme Claimant indicates disagreement with SchemeCo's assessment in accordance with Clause 4.5.8.

4.5.8   A Scheme Claim shall not become an Ascertained Scheme Claim under Clause 4.5.7 and instead shall become a Disputed Scheme Claim if, no later than 30 days after SchemeCo gives the notice required under Clause 4.5.6, a Scheme Claimant indicates that it does not agree with SchemeCo's assessment of its Scheme Claim and explains the reasons for that disagreement. Redress Scheme Claimants shall indicate any such disagreement on the Scheme Portal and the FOS shall indicate any such disagreement by email.

4.5.9   After a Scheme Claim becomes a Disputed Scheme Claim under Clause 4.5.8:

(a)   The Scheme Claimant shall have 30 days from the date on which the Scheme Claim became a Disputed Scheme Claim under Clause 4.5.8 to make representations to SchemeCo in respect of whether:

(i)   the Scheme Claim is valid in whole or in part; and/or

(ii)   the amount (if any) that they have been notified is due to them in respect of their Scheme Claim by SchemeCo in accordance with Clause 4.5.6, is correct.

(b)   If an agreement is made under paragraph (a) above within 30 days after the date on which the Scheme Claim became a Disputed Scheme Claim, and the agreed amount is greater than zero, the Disputed Scheme Claim will become an Ascertained Scheme Claim.

(c)   If an agreement is not made under paragraph (a) above within 30 days after the date on which the Scheme Claim became a Disputed Scheme Claim, SchemeCo or the Scheme Claimant shall have a further 30 days within which either of them may refer the Disputed Scheme Claim to the Scheme Adjudicator. Receipt of written confirmation by SchemeCo from a Scheme Claimant confirming that they wish to refer the Disputed Scheme Claim to the Scheme Adjudicator shall be sufficient for the purpose of a Scheme Claimant having been deemed to have referred the Disputed Scheme Claim to the Scheme Adjudicator within the 30 day period set out in this paragraph (c), following which, SchemeCo shall refer the Disputed Scheme Claim to the Scheme Adjudicator in accordance with paragraph (e) below and Clause 4.5.11.

(d)   If a referral to the Scheme Adjudicator under (c) above is not made within 60 days after the date on which the Scheme Claim became a Disputed Scheme Claim:

(i)   the Disputed Scheme Claim shall become an Ascertained Scheme Claim if it would have become an Ascertained Scheme Claim in accordance with Clause 4.5.7 were it not for the receipt of notice of the Scheme Claimant's disagreement of SchemeCo's assessment of its Scheme Claim in accordance with Clause 4.5.8; or

(ii)   for all other Disputed Scheme Claims which SchemeCo had determined were not valid Scheme Claims, such determination previously communicated pursuant to Clause 4.5.6 by SchemeCo shall be final and binding, and the Disputed Scheme Claim shall be deemed to have been satisfied in full and released pursuant to Clause 2.7.1 and the Scheme Creditor shall have no further rights in respect of the same.

(e)   Subject to Clause 4.5.11, SchemeCo may, in its sole discretion:

(i)   refer any Disputed Scheme Claim to the Scheme Adjudicator on its own for Individual Adjudication, following which, it shall notify the Scheme Claimants of the referral by email; or

(ii)   refer multiple Disputed Scheme Claims together to the Scheme Adjudicator for Group Adjudication, following which, it shall notify the relevant Scheme Claimants of the referral by email.

4.5.10   If a Disputed Scheme Claim is referred to the Scheme Adjudicator in accordance with Clause 4.5.9(c) and/or Clause 4.5.9(e), the dispute between SchemeCo and the Scheme Claimant will be determined by the Scheme Adjudicator in accordance with Clause 4.6.

4.5.11   SchemeCo may only refer a Disputed Scheme Claim for Group Adjudication if the Scheme Claimant has not provided sufficient explanation or evidence for its disagreement with SchemeCo's assessment of its Scheme Claim for the Scheme Adjudicator to be reasonably able to determine the Disputed Scheme Claim without additional information and/or evidence.

4.5.12   Where a Scheme Claim is determined to be valid by SchemeCo in accordance with Clause 4.5, ALL, AMSL and Holdings PLC (as applicable):

(a)   shall not pursue any further claim for interest on the Loan or Loans to which the valid Scheme Claim relates;

(b)   shall not be prevented from pursuing any person to the extent of any principal amounts remaining on any Outstanding Balance after the application of set-off in accordance with Clause 2.5; and

(c)   shall not enforce any guarantee under a Loan or Loans to which the valid Scheme Claim relates.

4.6   Adjudication of Disputed Scheme Claims

4.6.1   When referring any Disputed Scheme Claim to the Scheme Adjudicator, SchemeCo shall provide:

(a)   a copy of all communications sent and received by SchemeCo in connection with the Scheme Claim under this Part 4;

(b)   a copy of all information and documents provided by the Scheme Claimant through the Scheme Portal or by email (as applicable);

(c)   details of any amounts due to the Scheme Claimant under the Escrow Agreement; and

(d)   details of any Cross-Claim.

4.6.2   The Scheme Adjudicator shall have access to all of SchemeCo's relevant records and information in the possession or under the control of SchemeCo that the Scheme Adjudicator reasonably considers it needs to determine the Disputed Scheme Claim, and SchemeCo shall procure that the Scheme Adjudicator has access to ALL's relevant records and information for the same purpose.

4.6.3   When a Disputed Scheme Claim is referred to the Scheme Adjudicator for Individual Adjudication:

(a)   the Scheme Adjudicator shall consider the documents and information provided to it under Clause 4.6.1 and (if applicable) Clause 4.6.2, within eight weeks of receipt of the information provided under Clause 4.6.1;

(b)   if practicable, the Scheme Adjudicator shall determine the Disputed Scheme Claim within eight weeks of receipt of the information provided under Clause 4.6.1. However, the Scheme Adjudicator may extend this period on one or more occasions by giving notices to each of SchemeCo and the Scheme Claimant if they determine (acting reasonably) that a longer period is required. Any such notices shall state the revised date by which the Scheme Adjudicator will determine the Disputed Scheme Claim;

(c)   if necessary, the Scheme Adjudicator shall, before expiry of the period set out in paragraph (b) above, notify the person concerned that they require:

(i)   further documents, data or information from the Scheme Claimant or SchemeCo, in which case, the recipient shall comply within 30

days of receipt of the notice or other such reasonable period as specified in the notice; and/or

(ii)   SchemeCo and/or the Scheme Claimant (or its Representative) to address them on particular matters, in which case, the Scheme Adjudicator may prescribe such procedures or provisions as they consider appropriate in respect of such address;

(d)   if the Scheme Adjudicator has sent a notice under paragraph 4.6.3(c) above, they shall, if possible, determine the Disputed Scheme Claim within six weeks of: (i) receiving any further information pursuant to paragraph 4.6.3(c)(i) above; or (ii) having been addressed on particular matters pursuant to paragraph 4.6.3(c)(ii) above. The Scheme Adjudicator may extend this period on one or more occasions by giving notices to each of SchemeCo and the Scheme Claimant if they determine (acting reasonably) that a longer period is required;

(e)   if SchemeCo or the Scheme Claimant fails to comply with a notice under paragraph 4.6.3(c)(i) above or 4.6.3(c)(ii) above within 30 days or such other period as specified in the notice, the Scheme Adjudicator shall make their determination on the basis of the information available to them;

(f)   the Scheme Adjudicator shall act as an expert and not as an arbitrator; and

(g)   the Scheme Adjudicator shall be entitled to adjudicate the Disputed Scheme Claim by way of Group Adjudication in accordance with Clause 4.6.4 where, in the Scheme Adjudicator's reasonable opinion, Group Adjudication would be a fair, appropriate and efficient way of determining the Disputed Scheme Claim.

4.6.4   When SchemeCo refers any Disputed Scheme Claims for Group Adjudication:

(a)   SchemeCo shall provide the information referred to in Clause 4.6.1 and (if applicable) Clause 4.6.2 for each Group Adjudication Claim, and shall give the Scheme Adjudicator and the relevant Scheme Claimants notice that such Disputed Scheme Claims are to be determined by way of Group Adjudication;

(b)   the Scheme Adjudicator shall, if practicable, consider an appropriate (in its reasonable determination) sample of the papers and documents provided to it within eight weeks of receipt of the notice referred to in paragraph 4.6.4(a) above. However, the Scheme Adjudicator may extend this period on one or more occasions by giving notices to SchemeCo and each relevant Scheme Claimant if they determine (acting reasonably) that a longer period is required. Any such notices shall state the revised date

by which the Scheme Adjudicator will determine the relevant Group Adjudication Claims;

(c)   the Scheme Adjudicator shall make a final and binding determination of all of the Group Adjudication Claims on the basis of the sample of papers and documents considered in accordance with this Clause 4.6.4;

(d)   if necessary, the Scheme Adjudicator shall, before expiry of the period set out in paragraph (b) above, send a notice to the person concerned stating that they require:

   (i)   further documents, data or information from the Scheme Claimant or SchemeCo, in which case the recipient shall comply within 30 days of receipt of the notice or other such reasonable period as specified in the notice; and/or

   (ii)   SchemeCo and/or the Scheme Claimant (or its Representative) to address them on particular matters, in which case the Scheme Adjudicator may prescribe such procedures or provisions as they consider appropriate in respect of such address;

(e)   if the Scheme Adjudicator has sent a notice under paragraph (d) above, they shall, if possible, determine the Disputed Scheme Claim within six weeks of: (i) receiving any further information pursuant to paragraph (d)(i) above; or (ii) having been addressed on particular matters pursuant to paragraph (d)(ii) above. The Scheme Adjudicator may extend this period on one or more occasions by giving notices to SchemeCo and each relevant Scheme Claimant if it determines (acting reasonably) that a longer period is required;

(f)   if SchemeCo or the relevant Scheme Claimant fails to comply with a notice under paragraph (d)(i) above or (d)(ii) above within 30 days or such other period as specified in the notice, the Scheme Adjudicator shall make their determination on the basis of the other information available to them;

(g)   the Scheme Adjudicator shall act as an expert and not as an arbitrator; and

(h)   the Scheme Adjudicator shall be entitled to adjudicate any Group Adjudication Claim by way of Individual Adjudication in accordance with Clause 4.6.3 where, in the Scheme Adjudicator's reasonable opinion, Individual Adjudication would be a fair, appropriate and efficient way of determining the Group Adjudication Claim.

4.6.5   The Scheme Adjudicator shall notify SchemeCo and each relevant Scheme Claimant of their determination of the Disputed Scheme Claim through the Scheme Portal (for Redress Scheme Claimants) or by email (for the FOS). If the

amount of the Disputed Scheme Claim is greater than zero, this determination will become an Ascertained Scheme Claim on the date the notice is sent.

4.6.6   Any notice given under Clause 4.6.5 shall be a final and binding determination of the Disputed Scheme Claim, to the extent the law permits, and the Scheme Claimant and SchemeCo shall have no right of appeal or review, or any right to commence any Proceedings, in respect of either the Scheme Adjudicator's determination or the procedure they employed.

4.6.7   At the time they give notice under Clause 4.6.5, the Scheme Adjudicator may make whatever directions they think just for the payment of remuneration, costs, charges and expenses, incurred by them, SchemeCo and the Scheme Claimant, including requiring the Scheme Claimant to pay the costs of dealing with their Disputed Scheme Claim if the Scheme Adjudicator determines that the Scheme Claimant's request to refer the Disputed Scheme Claim to the Scheme Adjudicator was unreasonable.

4.6.8   If, under Clause 4.6.7, the Scheme Adjudicator directs that ALL (or, if an Insolvency Event has occurred in respect of ALL, SchemeCo) shall make any payment, ALL (or, if applicable, SchemeCo) shall make that payment forthwith and that payment shall be a Scheme Cost.

4.6.9   Where a Scheme Claim is determined to be valid by the Scheme Adjudicator in accordance with Clause 4.6, ALL, AMSL and Holdings PLC (as applicable):

(a)   shall not pursue any further claim for interest on the Loan or Loans to which the valid Scheme Claim relates;

(b)   shall not be prevented from pursuing any person to the extent of any principal amounts remaining on any Outstanding Balance after the application of set-off in accordance with Clause 2.5; and

(c)   shall not enforce any guarantee under a Loan or Loans to which the valid Scheme Claim relates.

4.7   Variation of time limits

4.7.1   Where SchemeCo determines that it is in the interests of Scheme Creditors or the efficient operation of the Scheme, SchemeCo may, by publishing a notice on the Website or giving individual notice to the relevant party, extend any of the time limits in this Part 4 except for the Claims Submission Deadline. Any exercise by SchemeCo of the power in this Clause 4.7.1 shall be accompanied by a certification from SchemeCo that it considers any such extension to be in the interests of Scheme Creditors or the efficient operation of the Scheme (as applicable).

4.7.2 Other than the Claims Submission Deadline, where SchemeCo or the Scheme Adjudicator is satisfied that a Scheme Creditor has failed to comply with any time limit, because of exceptional circumstances outside the Scheme Creditor's control, SchemeCo or the Scheme Adjudicator (as applicable) may, in their absolute discretion, extend that time limit for that Scheme Creditor, without notice.

4.8 Mutual assistance

4.8.1 From the Scheme Effective Date until the date on which the Scheme ends in accordance with Part 8, Scheme Creditors shall provide to SchemeCo, the Scheme Supervisors and the Scheme Adjudicator all assistance it or they reasonably require in connection with the Scheme.

4.8.2 In particular, SchemeCo may require the following information from a Scheme Claimant:

(a) full details of how and when a Scheme Claim arose;

(b) legible copies of all contracts, orders, judgments, decisions and awards which are relevant to the Scheme Claim; and

(c) any other supporting information and documentation SchemeCo reasonably requires.

4.8.3 Scheme Creditors shall provide through the Scheme Portal updated bank account information if the bank account information provided by the Scheme Creditor pursuant to Clause 4.2.1 ceases to be correct or current.

4.8.4 From the Scheme Effective Date until the date on which the Scheme ends in accordance with Part 8, SchemeCo shall provide Scheme Creditors with such assistance as is reasonably practicable in connection with the processing of Scheme Claims and use their reasonable efforts to answer reasonable questions from Scheme Creditors relating to the Scheme process and that Scheme Creditor's Scheme Liabilities.

4.8.5 The assistance described at Clause 4.8.4 shall include the provision of a "questions and answers" page on the Website, as well as access to SchemeCo's customer service telephone helpline, until SchemeCo publishes a notice of completion on the Website in accordance with Clause 8.1.

PART 5 – PAYMENT TO SCHEME CREDITORS

5.1   Payments under the Preferred Solution and the Fallback Solution

5.1.1   If the Preferred Solution is implemented under Clause 3.2 then SchemeCo and the Scheme Supervisors shall proceed in accordance with Clause 5.2 immediately after the payments required under Clause 3.2.3(a) have been made.

5.1.2   If the Fallback Solution is implemented under Clause 3.3 then SchemeCo shall make payments in accordance with Clause 5.3.

5.2   If the Preferred Solution is implemented

5.2.1   Promptly after all or substantially all Scheme Claims have been determined and, if necessary, adjudicated, in accordance with Clause 4.5 and Clause 4.6, the Scheme Supervisors shall give notice of that circumstance to SchemeCo. The Scheme Supervisors shall determine whether, in their reasonable opinion, based on the information available at the time, all Ascertained Scheme Claims can be paid in full by SchemeCo from the amount of the Scheme Fund.

5.2.2   In the event that the Scheme Supervisors do not determine that, in their reasonable opinion, based on the information available at the time, all Ascertained Scheme Claims can be paid in full from the amount of the Scheme Fund, the Scheme Supervisors shall, as soon as reasonably practicable, set an initial Scheme Payment Percentage, the calculation of the Scheme Payment Percentage being:

> (the amount of the Scheme Fund minus any applicable Scheme Costs Reserve)

> as a percentage of

> (the aggregate amount of all Ascertained Scheme Claims plus a reasonable reserve for any Scheme Claims not yet agreed).

5.2.3   In setting or revising a Scheme Payment Percentage, the Scheme Supervisors shall use reasonable endeavours to ensure that sufficient reserves as they consider to be prudent are maintained to enable SchemeCo to:

(a)   pay the same Scheme Payment Percentage in respect of all Ascertained Scheme Claims; and

(b)   make full provision for any applicable Scheme Costs Reserve.

5.2.4   No later than one month after the later of:

(a)   SchemeCo's receipt of the calculations mentioned in Clause 5.2.2; and

(b)   the date the New Business Conditions are satisfied,

SchemeCo shall make an Initial Scheme Payment from the Scheme Fund in respect of each Ascertained Scheme Claim. The Initial Scheme Payment shall be calculated as follows:

the amount of the Ascertained Scheme Claim

multiplied by

the Scheme Payment Percentage.

5.2.5   For each Scheme Claim which subsequently becomes an Ascertained Scheme Claim, SchemeCo will make an Initial Scheme Payment to that Scheme Creditor based on the existing Scheme Payment Percentage.

5.2.6   After the Scheme Payment Percentage has been set in accordance with Clause 5.2.2, the Scheme Supervisors may review the Scheme Payment Percentage and consider, in the light of Clause 5.2.3, whether it should be revised. The calculation for any revised Scheme Payment Percentage shall be carried out as follows:

(the amount of the Scheme Fund *minus* any applicable Scheme Costs Reserve *but adding back* any Scheme Payments made from the Scheme Fund)

as a percentage of

(the aggregate amount of all Ascertained Scheme Claims *plus* a reasonable reserve for any Scheme Claims not yet agreed).

5.2.7   Where the Scheme Supervisors set an increased Scheme Payment Percentage, SchemeCo shall, as soon as reasonably practicable thereafter, make Additional Scheme Payments, being, in relation to a Scheme Creditor:

(the amount of their Ascertained Scheme Claim *multiplied by* the increased Scheme Payment Percentage)

minus

the aggregate of all previous Scheme Payments made to that Scheme Creditor.

5.2.8   If SchemeCo makes an Initial Scheme Payment under Clause 5.2.4 before all Scheme Claims have been determined and/or adjudicated pursuant to Clause 4.5 or Clause 4.6 (as applicable), any further Scheme Payments shall first be applied towards those Scheme Creditors' Ascertained Scheme Claims which, at the time

of the Initial Scheme Payments, had not been determined and/or adjudicated as Ascertained Scheme Claims up until such time as they have received an equal proportion of their Ascertained Scheme Claim as those Scheme Creditors who received an Initial Scheme Payment.

5.3   If the Fallback Solution is implemented

5.3.1   Promptly after all or substantially all Scheme Claims have been determined and, if necessary, adjudicated, in accordance with Clause 4.5 and Clause 4.6, the Scheme Supervisors shall give notice of that circumstance to SchemeCo. The Scheme Supervisors shall determine whether, in their reasonable opinion, based on the information available at the time, all Ascertained Scheme Claims can be paid in full by SchemeCo from the amount of the Scheme Fund.

5.3.2   If the Scheme Supervisors do not determine that, in their reasonable opinion, based on the information available at the time, all Ascertained Scheme Claims can be paid in full from the amount of the Scheme Fund, the Scheme Supervisors shall, as soon as reasonably practicable, set an initial Scheme Payment Percentage, the calculation of the Scheme Payment Percentage being:

(the amount of the Scheme Fund *minus* any applicable Scheme Costs Reserve)

as a percentage of

(the aggregate amount of all Ascertained Scheme Claims *plus* a reasonable reserve for any Scheme Claims not yet agreed).

5.3.3   In setting or revising a Scheme Payment Percentage, the Scheme Supervisors shall use reasonable endeavours to ensure that sufficient reserves have been created as they consider to be prudent to enable SchemeCo to:

(a)   pay the same Scheme Payment Percentage in respect of all Ascertained Scheme Claims; and

(b)   pay any applicable Scheme Costs Reserve.

5.3.4   No later than one month after the later of:

(a)   SchemeCo's receipt of the calculations mentioned in Clause 5.3.2; and

(b)   the Fallback Date,

SchemeCo shall make an Initial Scheme Payment from the Scheme Fund in respect of each Ascertained Scheme Claim. The Initial Scheme Payment shall be calculated as follows:

the amount of the Ascertained Scheme Claim

multiplied by

the Scheme Payment Percentage.

5.3.5 For each Scheme Claim which subsequently becomes an Ascertained Scheme Claim, SchemeCo will make an Initial Scheme Payment to that Scheme Creditor based on the existing Scheme Payment Percentage.

5.3.6 After the Scheme Payment Percentage has been set in accordance with Clause 5.3.2, the Scheme Supervisors may review the Scheme Payment Percentage and consider, in the light of Clause 5.3.3, whether it should be revised. The calculation for any revised Scheme Payment Percentage shall be carried out as follows:

(the amount of the Scheme Fund *minus* any applicable Scheme Costs Reserve *but adding back* any Scheme Payments made from the Scheme Fund)

as a percentage of

(the aggregate amount of all Ascertained Scheme Claims *plus* a reasonable reserve for any claims not yet agreed).

5.3.7 If the Scheme Supervisors set an increased Scheme Payment Percentage, SchemeCo shall, as soon as reasonably practicable thereafter, make Additional Scheme Payments, being, in relation to a Scheme Creditor:

(the amount of their Ascertained Scheme Claim *multiplied by* the increased Scheme Payment Percentage)

minus

the aggregate of all previous Scheme Payments made to that Scheme Creditor.

5.3.8 If SchemeCo makes an Initial Scheme Payment under Clause 5.3.4 before all Scheme Claims have been determined and/or adjudicated pursuant to Clause 4.5 or Clause 4.6, any further Scheme Payments shall first be applied towards those Scheme Creditors' Ascertained Scheme Claims which, at the time of the Initial Scheme Payments, had not been determined and/or adjudicated as Ascertained Scheme Claims until such time as they have received an equal proportion of their Ascertained Scheme Claim as those Scheme Creditors who received an Initial Scheme Payment.

5.4   Scheme Payments to Scheme Creditors

5.4.1   All Scheme Payments shall be made by electronic transfer to the relevant Scheme Creditor's bank account, details of which were provided by the Scheme Creditor in accordance with Clause 4.2.1 or, if applicable, Clause 4.8.3.

5.4.2   The Scheme Creditor shall bear all risk of payment under Clause 5.4.1 and, at the discretion of SchemeCo, may be required to bear any costs incurred in relation to the payment as a deduction from the Scheme Payments.

5.4.3   An Ascertained Scheme Claim shall be deemed paid on the date that the electronic transfer instruction is given for, or payment is made by another appropriate method of, the Final Scheme Payment. The credit of the amount of the electronic transfer into the designated bank account shall satisfy the Ascertained Scheme Claim in full and SchemeCo shall have no further Liability for such Ascertained Scheme Claim.

5.4.4   Subject to Clause 5.4.5 below, any payments received by any Redress Creditor from SchemeCo pursuant to Clause 5.2 or Clause 5.3 will be applied first towards:

(a)   for a Redress Scheme Claimant who is a borrower in respect of the relevant Redress Scheme Claim, interest and costs paid by the borrower under the original Loan (after the application of set-off under Clause 2.5 and Clause 2.6), before being applied towards Redress Interest on those amounts; and

(b)   for a Redress Scheme Claimant who is a guarantor in respect of the relevant Redress Scheme Claim, all principal and interest paid by the guarantor under the original Loan, before being applied towards Redress Interest on those amounts.

5.4.5   Any Redress Interest paid to Redress Creditors under this Part 5 shall:

(a)   be calculated up to the Scheme Effective Date only; and

(b)   where the Redress Creditor is a borrower in respect of the relevant Redress Scheme Claim, shall only be applied to the extent that the repayments made by the borrower under the original Loan exceed the amount of the principal.

5.5   Unsuccessful payments

5.5.1   If an electronic transfer made under Clause 5.4.1 is unsuccessful through no fault of SchemeCo or SchemeCo's bank, SchemeCo will re-attempt the electronic transfer or payment within 14 days.

5.5.2   If, on a second attempt, the electronic transfer or payment is again unsuccessful through no fault of SchemeCo or SchemeCo's bank, SchemeCo shall again re-attempt the electronic transfer or payment within a further 14 days.

5.5.3   If, on the third attempt, the electronic transfer or payment is unsuccessful through no fault of SchemeCo or SchemeCo's bank, SchemeCo will be deemed to have discharged its obligations to the Scheme Claimant in respect of that payment.

5.5.4   Unless the Scheme Supervisors decide otherwise, the relevant sum shall be returned to the Scheme Fund to be applied:

(a)   as a further payment to Scheme Creditors under Clause 5.2 or Clause 5.3 if the costs of making such a payment are less than the aggregate amount of such sums; or

8.1.1   they are satisfied that the Scheme has been properly implemented in accordance with its terms;

8.1.2   all Scheme Claims have been determined and/or adjudicated (as applicable) in accordance with Clause 4.5 and Clause 4.6 ; and

8.1.3   all Ascertained Scheme Claims have been paid in accordance with Clause 5.2 or Clause 5.3,

SchemeCo shall promptly publish a notice on the Website confirming that the Scheme has been fully implemented in accordance with its terms.

8.2 Scheme Termination

8.2.1   The Scheme shall not automatically terminate because of an Insolvency Event in respect of SchemeCo.

8.2.2   If there is an Insolvency Event in respect of SchemeCo, any liquidator, administrator or provisional liquidator of SchemeCo may resolve that the Scheme be terminated, in which case:

(a)   they shall cause a notice to be published on the Website that the Scheme has been terminated at the date of the notice; and

(b)   payments already made to Scheme Creditors under the Scheme shall be unaffected by the termination of the Scheme insofar as this is permitted by the law.

8.3.2   Upon the occurrence of a Trigger Event, the Scheme Supervisors shall terminate the Scheme.

8.3.3   If the termination referred to in Clause 8.3.1 occurs, then with effect from that date:

(a)   the release granted in the Release Agreement in Schedule 3 by the Scheme Creditors shall be unwound, and each party to the Scheme and each of ALL, AMSL and Holdings PLC shall, to the extent legally and practically possible, be put back into the position it was in prior to the date on which the Release Agreement took effect; and

(b)   all provisions of the Scheme shall terminate, save that the provisions of this Clause 8.3 shall remain in full force and effect, including the following:

(i)   SchemeCo shall pay all amounts standing to the credit of the Trust Account constituting the Scheme Fund to ALL;

(ii)   a Scheme Creditor's Scheme Claim that has become an Ascertained Scheme Claim pursuant to Clause 4.5 or Clause 4.6.5 shall constitute that Scheme Creditor's admitted claim in any administration or insolvent liquidation of ALL;

(iii)   where a Scheme Creditor has received a Scheme Payment in respect of an Ascertained Scheme Claim, the amount of the Scheme Payment shall be deducted from that Scheme Creditor's admitted claim in any administration or insolvent liquidation of ALL;

(iv)   all final determinations made by the Scheme Adjudicator in accordance with Clause 4.6.5 and Clause 4.6.6 shall survive the termination of the Scheme and shall remain binding on all Scheme Creditors in their capacity as creditors of ALL in any administration or insolvent liquidation of ALL; and

(v)   upon the determination of the value of any Scheme Creditor's claim by judgment, agreement or otherwise in any administration or insolvent liquidation of ALL, that Scheme Creditor shall be entitled, to the extent of the funds available in such administration or insolvent liquidation, to receive distributions(s) in priority to any other Scheme Creditors who received a Scheme Payment pursuant to the terms of the Scheme until such time as they have each been paid an equal proportion of the value of their claims.

8.3.4   ALL and any administrator or liquidator or insolvency practitioner appointed shall be entitled to rely on, enforce and enjoy the benefit of Clause 8.3 of this Scheme as if it were a party.

SCHEDULE 2 – TURNOVER AMOUNT

1. The Scheme Supervisors will calculate the Turnover Amount on the following basis:

    a) the value of ALL's existing cash as at the Scheme Effective Date; less £8.4m required to be maintained by ALL as a minimum regulatory liquidity reserve; less the amount due to the issuer of the Bonds, Amigo Luxembourg S.A. (which amount includes all sums outstanding under the Bonds); less amounts held by ALL to discharge the Excluded Liabilities and amounts held by ALL pursuant to the Escrow Agreement; *plus*

    b) recoveries made by ALL from the Loans after the Scheme Effective Date (less any such recoveries to be returned to Scheme Creditors with valid Scheme Claims in accordance with Clause 2.6 of the Scheme) before 31 October 2023 (the *Cut-off Date*) including the proceeds of sale of any remaining Loans before the Cut-off Date; *plus*

    c) the value of any repayments to ALL in respect of amounts due to it from Amigo Loans Ireland Limited, Amigo Loans Holdings Ltd and AMSL before the Cut-off Date; *plus*

    d) any surplus held under the Escrow Agreement when all required payments have been made thereunder; *less*

    e) deductions for:

        (i)   any interest accruing on the Bonds from the Scheme Effective Date up to the earlier of: (a) 31 May 2022; or (b) the date of repayment of the Bonds if such repayment has been made before 31 May 2022;

        (ii)   50% of any interest accruing on the Bonds (to the extent they are still outstanding) from the later of: (a) 1 June 2022; or (b) the Scheme Effective Date, to 31 May 2023;

        (iii)   all of Amigo Group's overheads and expenses of whatever nature incurred from the Scheme Effective Date up to (and including) 31 July 2023, except for the specific items referred to in Clause 6 of this Schedule 2 which shall not be taken into account for the purposes of calculating the Turnover Amount;

        (iv)   the Amigo Group's incremental expenses specific to recoveries of any Loans incurred after 31 July 2023; and

        (v)   any Scheme related expenses incurred after 31 July 2023.

2. For the purposes of calculating the recoveries made by ALL before the Cut-Off Date pursuant to clause 1(b) above, ALL will either have: (a) written off the outstanding Loans; (b) sold the outstanding Loans; or (c) retained the Loans having invited bids for them. In the case of (c) the best bid will be deemed to be the proceeds for the purposes of clause 1(b) above.

3. For the purposes of calculating the value of any repayments to ALL before the Cut-off Date pursuant to clause 1(c) above, it is agreed that:

(i)   if prior to the Cut-off Date, full recovery from Amigo Loans Ireland Limited or AMSL has not been made, bids will be obtained from third parties for the sale of any residual balances and if ALL chooses, it can retain the balances and the best bid will be deemed to be the proceeds for the purposes of clause 1(c) above; and

(ii)   after accounting for the amount payable by ALL prior to the Cut-off Date, Amigo Luxembourg S.A. will, to the extent possible, make a dividend distribution to Amigo Loans Holdings Ltd (as its immediate parent). These amounts will then be paid by Amigo Loans Holdings Ltd to ALL in partial repayment of existing intercompany debt owed by Amigo Loans Holdings Ltd to ALL and will therefore be included within the calculation of the Turnover Amount.

4.   The total sum arrived at from the above calculations (the ***Total Net Recoveries***) will be compared to the aggregate of: (i) the First Funding Payment; and (ii) the Second Funding Payment. Any amount by which the Total Net Recoveries exceeds the aggregate of: (i) the First Funding Payment; and (ii) the Second Funding Payment, shall constitute the Turnover Amount for the purposes of the New Business Scheme and the Contribution and Cooperation Agreement.

5.   The Scheme Supervisors shall select an appropriate expert to verify the calculations who shall certify the Turnover Amount in accordance with Clause 3.2.5 of the Scheme.

6.   For the avoidance of doubt, where the New Business Conditions are satisfied, the following items will be excluded when calculating the Turnover Amount and will instead be allocated to the new business of ALL:

(i)   £8.4m of cash in respect of the minimum regulatory liquidity reserve;

(ii)   the value of any fixed assets of ALL (both tangible and intangible);

(iii)   all amounts received from a fund-raising exercise commenced after the Scheme Effective Date; *less* the deduction of any costs incurred in connection with it e.g. costs of implementing the equity raise and *less* the Top-up Amount to be paid to the Scheme Fund out of the proceeds;

(iv)   cash, income or recoveries arising from any new lending commenced by ALL after the Scheme Effective Date, provided that, where any amounts used to make new loans arise from the Loans, these amounts will be included in paragraph 1(b) above for the purposes of calculating the Turnover Amount;

(v)   incremental costs incurred prior to 31 July 2023 associated with any new lending;

(vi)   50% of any interest accruing on the Bonds (to the extent they are still outstanding) from the later of: (a) 1 June 2022; or (b) the Scheme Effective Date, to 31 May 2023;

(vii)   any interest in respect of outstanding Bonds or financing arrangements after 31 May 2023; and

(viii)   any fine received from the Financial Conduct Authority in connection with any matter arising out of or in relation to ALL's past lending practices in connection with the Loans, including complaints handling.

SCHEDULE 3 – RELEASE AGREEMENT

This Release Agreement is made on the Scheme Effective Date, and is made between:

(1)   **THE SCHEME CREDITORS,** as defined in the Scheme and each acting by its agents and attorneys as appointed pursuant to the Scheme;

(2)   **ALL,** as defined in the Scheme;

(3)   **AMSL,** as defined in the Scheme; and

(4)   **HOLDINGS PLC,** as defined in the Scheme,

together the *Parties*.

WHEREAS:

(A)   ALL Scheme Ltd (*SchemeCo*) has entered into a deed poll dated 9 December 2021 creating liabilities to the Scheme Creditors in respect of certain liabilities also owed to them by ALL, AMSL and/or Holdings PLC;

(B)   SchemeCo has proposed the Scheme which the Court has approved; and

(C)   The Scheme Creditors will therefore be able to submit a claim under the Scheme in respect of liabilities originally owed to them by ALL, AMSL and Holdings PLC.

IT IS AGREED as follows:

1.   **DEFINITIONS**

All defined terms which are not otherwise defined in this Release Agreement have the same meaning they have in the scheme of arrangement between SchemeCo and the Scheme Creditors pursuant to Part 26 of the Companies Act 2006 (the *Scheme*).

2.   **RELEASES AND WAIVERS**

2.1   Subject to the occurrence of a Trigger Event pursuant to Clause 8.3 and the provisions of that clause, in consideration of their right to submit a claim under the Scheme in respect of any Scheme Liability owed to them by ALL, AMSL and Holdings PLC (as well as SchemeCo), each Scheme Creditor (whether or not they have submitted a Scheme Claim or have an Ascertained Scheme Claim) hereby fully, irrevocably releases each of ALL, AMSL and Holdings PLC and their directors and employees to the fullest extent permissible by applicable law from (and fully, irrevocably and unconditionally waive) any and all claims, actions, debts, losses, liabilities, demands and proceedings whatsoever, whether existing, prospective or contingent, known or unknown, which any of the Scheme Creditors has or, but for this Release Agreement, may in the future have, in any capacity whatsoever against any and all of ALL, AMSL and Holdings PLC and their respective directors and employees under or in connection with or arising out of any Scheme Liability.

2.2   The release in Clause 2.1 will take effect on the later of:

(a)   the Scheme Effective Date; and

(b)   payment of the First Funding Payment.

2.3   The release in Clause 2.1 does not apply to:

(a)   the Excluded Liabilities;

(b)   any obligations under the Contribution and Co-Operation Agreement; or

(c)   any Liability incurred by ALL, AMSL or Holdings PLC after the Scheme Effective Date, but only to the extent that such Liability arises directly from the conduct of ALL, AMSL or Holdings PLC following the Scheme Effective Date.

2.4   From the date that the release in Clause 2.1 takes effect pursuant to Clause 2.2, Scheme Creditors are not permitted to commence or continue any Proceedings against ALL, AMSL or Holdings PLC, or the directors of ALL, AMSL or Holdings PLC, in any jurisdiction, in respect of a Scheme Liability, Scheme Claim, Scheme Payment, or otherwise in connection with the Scheme.

2.5   Subject to the operation of Clause 4.2 of the Scheme (which for the avoidance of doubt, expressly binds all Scheme Creditors) and the effect of this Release Agreement, the Scheme Creditors do not waive their rights to raise any defences (in particular, of equitable set-off) which they had a right to raise against any person (other than SchemeCo, ALL, AMSL or Holdings PLC) in respect of an Outstanding Balance before this Release Agreement took effect. Such defences shall apply to any claim brought by any person (other than SchemeCo, ALL, AMSL or Holdings PLC) in respect of an Outstanding Balance in the same way they would have applied to such claims before this Release Agreement took effect.

3.   **EXECUTION, COUNTERPARTS AND AMENDMENT**

3.1   This Release Agreement may be executed in any number of counterparts, and by each of the Parties on separate counterparts. Each counterpart is an original, but all counterparts shall together constitute one and the same instrument.

3.2   This Release Agreement may not be amended, varied or modified nor any provision waived except with prior written consent of each party to this Release Agreement provided that any amendment which adversely affects the rights of a person who is a beneficiary of a release or waiver hereunder but is not a party hereto may not be made without that person's prior written consent.

3.3   If any release or waiver given by a party hereto (the *Releasor*) in favour of another party hereto or other beneficiary hereunder (the *Releasee*) is found by a court of competent jurisdiction to be unenforceable (an *Unenforceable Release*), the Releasor agrees that it shall not (and shall not instruct, encourage or support any other person to) bring or join any action, claim or suit or other proceedings of any kind against the

Releasee in relation to or arising out of any matter or thing which was the subject of such Unenforceable Release.

4. INVALIDITY

4.1 Each of the provisions of this Release Agreement is severable. If any such provision is held to be or becomes invalid or unenforceable in any respect under the law of any jurisdiction, it shall have no effect in that respect and the Parties shall use all reasonable efforts to replace it in that respect with a valid and enforceable substitute provision the effect of which is as close to its intended effect as possible.

5. THIRD PARTY ENFORCEMENT RIGHTS

5.1 The specified third-party beneficiaries of the releases, waivers, undertakings and/or commitments referred to in Clause 2.1 shall, in each case, have the right to enforce the relevant terms by reason of the Contracts (Rights of Third Parties) Act 1999. The rights of any such third-party beneficiary are subject to the other terms and conditions of this Release Agreement.

5.2 Except as provided in Clause 5.1, any person who is not a party to this Release Agreement shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

6. GOVERNING LAW AND JURISDICTION

6.1 This Release Agreement and any non-contractual obligations arising out of or in connection with it shall be governed by, and construed in accordance with, English law.

6.2 The courts of England and Wales shall have exclusive jurisdiction to settle any dispute including a dispute relating to the non-contractual obligations arising out of or in connection with this Release Agreement.

6.3 The courts of England and Wales are the most appropriate and convenient courts to settle any dispute in connection with this Release Agreement. Each of the Parties irrevocably waives any right that it may have to object to an action being brought in those courts, to claim that the action has been brought in an inconvenient forum, or to claim that those courts do not have jurisdiction.

6.4 References in Clause 6.2 and Clause 6.3 to a dispute in connection with this Release Agreement include any dispute as to the existence, validity or termination of this Release Agreement.
